

The Korean Amateur Radio League

7. September. 2015

Dear Friends,

It is our great honor to propose holding of The 2018 World ARDF Championships in Korea. With the valuable experiences in managing two previous IARU Region 3 ARDF Games and one World ARDF Championships and with our ARDFers' enthusiasm and dedication, we are confident that the proposed event would prove to be another successful one.

Here are our basic ideas of the 2018 World ARDF Championships. They will be subjected to minor changes and details of the plan will be released in accordance with the IARU ARDF regulation. We will respect the IARU Region 1 ARDF rule and take into account programs and practices of previous World ARDF Championships.

Time

Early to mid September 2018. Autumn is the best season of the year in Korea for outdoor activities.

Venue

We are still weighing two possible sites in Gangwon and Geonggi provinces that are about 1-2 hour distance from Seoul.

Transportation

We will provide chartered bus services between the Incheon/Gimpo International Airport and the competition site. Commercial bus lines will also be available.

Accommodation

Tourist hotels, condos or training/education facilities of public organizations

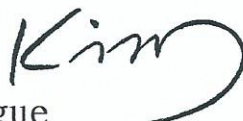

Entry Fee

Estimated full package US\$600-700

Kim Hyeong Soo

President
